ABOUT US /

We partner with companies to solve their most complex technology problems and overcome obstacles through business modernization, improved customer experience, program productivity, and streamlined processes. Our team of more than 350 experts work with leading companies to bring innovation, productivity, and results to the forefront.

WHY STAND 8 /

We believe in serving others, bridging gaps, and building meaningful relationships that cultivate professional success and personal fulfillment. We offer the flexibility to either consult, coach, or deliver through managed services, team services, or talent solutions.

We are a trusted partner to some of the world's largest organizations. Our technical and domain knowledge allows us to deliver projects of the highest quality at scale and with speed. Email us for help with your next big project.
